Board

The screenshot shows the Jira Board view for the 'green line bus tracking system' project, specifically for 'GLBTS Sprint 1'. The interface includes a left sidebar with navigation options like 'Roadmap', 'Backlog', 'Board', 'Code', 'Project pages', 'Story Maps', 'Checklist', 'Add shortcut', and 'Project settings'. The main area displays a Kanban board with columns: 'TO DO', 'IN PROGRESS 1 ISSUE', 'DONE 1 ISSUE', 'ON HOLD 1 ISSUE', and 'REVIEW'. Two epics are visible: 'GLBTS-1 Mobile App Enhancements' (1 issue) and 'GLBTS-6 Real time location tracking system' (2 issues). The board shows issues in progress, such as 'As a user, I want to have seamless on boarding experience' (GLBTS-2) and 'As a user, I should be able to register my daily routes and get push notification 5 mins before bus is reaching my spot' (GLBTS-4). The right sidebar shows '9 days remaining' and 'Complete sprint' button.

Insights

The screenshot shows the Jira Insights view for the 'green line bus tracking system' project, specifically for 'GLBTS Sprint 1'. The interface includes a left sidebar with navigation options like 'Roadmap', 'Backlog', 'Board', 'Code', 'Project pages', 'Story Maps', 'Checklist', 'Add shortcut', and 'Project settings'. The main area displays a Kanban board with columns: 'TO DO', 'IN PROGRESS 1 ISSUE', 'DONE 1 ISSUE', 'ON HOL', and 'ON HOLD'. Two epics are visible: 'GLBTS-1 Mobile App Enhancements' (1 issue) and 'GLBTS-6 Real time location tracking system' (2 issues). The board shows issues in progress, such as 'As a user, I want to have seamless on boarding experience' (GLBTS-2) and 'As a user, I should be able to register my daily routes and get push notification 5 mins before bus is reaching my spot' (GLBTS-4). The right sidebar shows '9 days remaining' and 'Complete sprint' button. The 'Insights' panel on the right provides a 'Sprint progress' bar (0% done), a 'Sprint burndown' chart (3 points done, 20 points to go), and an 'Epic progress' bar (0% done).
